Big News! Wonder in the Wild Is Coming to Annapolis!

ANNAPOLIS, MD – August 13, 2026 – We're bursting with excitement: Wonder in the Wild is opening a brand-new second campus in the St. Margaret's area of Annapolis at Hollywood Farm! Think woods to explore, trails to wander, fields to run through, and waterfront to wonder at — the perfect playground for young explorers.

Outdoor Youth Clubs kick off on Monday, August 24th, running Monday, Wednesday, and Friday afternoons all school year long following the AACPS calendar. What a treat it'll be to explore the property with kids all year long!

Tinkergarten, our caregiver and kid class, is in the works for Friday mornings — a chance for little explorers (and their grown-ups) to play, create, and discover together.

And yes, there's more: School's Out Camps are on the way too, so the fun doesn't stop when school does.

"Woods, trails, fields, gardens, and waterfront — this place is a dream!" said Katey Nelson, Director of Wonder in the Wild. "We can't wait to see what adventures unfold here."
