WONDER IN THE WILD

SCHOOL'S OUT CAMPS AND HALF-DAY NATURE PLAY

When school is out, WWOS is in! For days off school, join us for a full day of nature play and hands-on environmental education from 9-4 pm. Half-days run from 2-5 pm. Open to campers in grades K-7th. Cost: \$60 for full day and \$30 for half-days. Older campers may come as assistants at half price.

FRIDAY NIGHT OUT

Explorers enjoy a night out at camp while parents get a night out on the town. The night includes nature play, guided outdoor exploration, dinner, movie, and healthy snacks. Come dressed for the weather and bring comfy clothes to change into before the movie. 6-9pm. Open to campers in grades K-7th. Cost: \$30.

S'MORES & STORIES

Bring the whole family for s'mores and stories under the stars. We'll start with a seasonal craft and hands-on environmental education activity. Then gather around the fire to hear a story and roast s'mores. S'mores and hot chocolate provided. Dress for the weather and bring a flashlight. 6-7:30pm. Cost: FREE! Suggested donation of \$5/person or \$20/family

TINKERGARTEN

Outdoor guided play program for kids ages 1.5 to 8 with a caregiver. Classes run Fall, Winter, and Spring seasons for 8 weeks. Cost: \$120/child with sibling discounts available.

HOMESCHOOL PROGRAMS

Homeschool students ages 5-12 are invited to join us for a day full of nature play and hands-on environmental education. Classes run once a week, 10-3pm, for an 8 week series. Program will include exploring what is happening around us in nature and practicing outdoor skills. Field trips are also scheduled monthly and all homeschool families are invited to join! We also run Wild Things Academy, a K-1st grade homeschool co-op program providing 12 hours of instruction a week, plus materials to complete at home to cover required content areas.

BIRTHDAY PARTIES & ENVIRONMENTAL EDUCATION PROGRAMS

Celebrate your birthday with us and/or bring your school, scout, or youth group to participate in fun hands-on environmental education programs. Parties are typically 2 hours with 30 minutes for setup/cleanup. Field trips are typically 2-4 hours in length. Cost: calculated based on length of program and # of participants.
