OUR MISSION

We build upon a child's sense of wonder and passion for play to inspire curiosity, environmental stewardship, and community connection.

WONDER IN THE WILD

We are an outdoor school where young explorers and their families can exercise their sense of wonder and engage in nature play and hands-on environmental education, while growing as life-long learners, environmental stewards, and friends. Located at Camp Wright on Kent Island.

HOMESCHOOL PROGRAMS

Wild Things Academy is a K-1st grade homeschool tutorial which runs Mondays and Fridays throughout the school year and covers reading, writing, math, nature study, and art. Take home kits are provided to cover additional curriculum. Homeschool Days for ages 5-12 runs weekly on Thursdays and focuses on nature study, outdoor skills, art, and exploration.

TINKERGARTEN AND ART & NATURE PLAY DAY

Outdoor guided nature play program. Each class includes children and adults who learn together through well-designed, outdoor play-based activities. Come sing, dance, play, create, and explore with us! Classes meet Tuesday and Wednesday mornings from 10-11am and welcome explorers ages 1.5-8 years old with a caregiver. Explorers ages 3-8 are invited to stay for an extended day until 3pm with even more child-led nature play and art.

SCHOOL'S OUT CAMPS

When school is out, WWOS is in! For days off school, join us for a full day of nature play and hands-on environmental education from 9-4 pm. Open to campers in grades K-7th.

S'MORES & STORIES

Bring the whole family for s'mores and stories under the stars. We'll start with a seasonal craft and hands-on environmental education activity. Then gather around the fire to hear a story and roast s'mores. S'mores and hot chocolate provided. Dress for the weather and bring a flashlight. 6-7:30pm.

FRIDAY NIGHT OUT

Explorers enjoy a night out at camp while parents get a night out on the town. The night includes nature play, guided outdoor exploration, dinner, movie, and healthy snacks. Come dressed for the weather and bring comfy clothes to change into before the movie. 6-9pm. Open to campers in grades K-7th.

BIRTHDAY PARTIES

Have a wild and wonderful time celebrating your birthday with Wonder in the Wild! Party themes include: Wild Things Nature Art, Natural Architects, and Camping Celebration (overnight!).
